

The Homestyle Canopy Range

Homestyle Traditional Canopy

Our most popular canopy range, with a traditional lean to style. The front of the roof rests on structural aluminium posts.

Crescent Curved Roof Canopy

A free standing canopy with a curved roof design, the soft flowing lines give a clean and contemporary look.

Walbrook Overdoor Canopy

A sleek, modern overdoor canopy manufactured using high specification materials and available in two sizes.

Bespoke Canopies

We offer the largest range of canopies in the UK with a style and size to suit most people, however if you want a canopy designed to your own specifications we can do that as well.

Make the most of your garden all year round

Enjoy lazy days in your garden protected from the harmful effects of ultra violet rays, while still benefitting from natural sunlight.

A canopy in keeping with your own home

With an extensive range of timeless designs, styles and sizes, we have a canopy to suit your property, adding value to your home.

Protecting your assets

A Homestyle canopy not only protects your car, caravan or motorbike from the rain, snow, frost and hail but can reduce heat build up on sunnier days. In Autumn a canopy offers protection from falling leaves and debris.

Superior quality, professionally manufactured

Assembled in our UK factory using only the best materials all Homestyle canopies come with a 5 Year Guarantee, giving you peace of mind.
