OF CANOPIES AND CARPORTS

MAKE THE MOST OF YOUR GARDEN

PATIO CANOPIES

Enjoy your garden all year round...

Adding a canopy to your property will allow you to benefit from being outside on sunny days, hazy days and rainy days. Simply add some outdoor lighting and this peaceful space can be enjoyed after sundown, or brighten up those darker autumnal days.

The Canopy Shop offers a wide range of desirable canopies ideal for creating stylish yet cost effective shelter from the weather. Our Patio Canopies have many uses including alfresco dining with friends and family, messy play with the kids, a quiet area to read a book - and even provides a place to dry clothes!

“ Great quality at competitive prices. I have had many compliments from friends and family about the canopy. It extends the use of the garden over the rainy summer and well into Autumn. Mark Adams ”

Our Patio Canopies have many benefits:

- With an extensive range of designs, styles and sizes we have a canopy to suit your property and if you can't find the size you're looking for we can design and build you a canopy to meet your exact requirements.
- Enjoy your garden all year round with shade and shelter from the harmful UV rays of the sun.
- We provide easy to follow instructions and include all the fixings and components you require to fit your own patio canopy.
- Our patio canopy range includes the **Evolution Canopy**, **Homestyle Canopy** and the **Curved Roof Canopy**. For sizes and prices visit www.thecanopyshop.co.uk.

QUICK FIT CARPORTS

QUICK AND EASY: FIT FOR ANY PURPOSE

Shelter your pride and joy...

Our Quickfit Carport not only protects your car, motorbike, or trailer from the rain, snow, frost and hail but can reduce heat build-up on sunnier days. In autumn a Quickfit carport offers protection from falling leaves and debris.

Our versatile, easy to install carport system is manufactured with the highest quality powder coated aluminium, complete with a shatterproof polycarbonate roof available in a choice of three tints.

“

Covers the whole area and keeps the drive dry. Very good service - extremely satisfied. Sylvia Tobun

”

Our Quickfit Carport has many benefits:

- Ideal for cars, motorbikes, trailers or just for storage
- Every Quickfit carport comes with a rainwater guttering and downpipe system which can also be fed into your existing outlets
- With a wide range of sizes, colours and glazing options we have a carport to meet your requirements
- If required your carport can be personalised and painted any colour of your choosing to enhance the look of your house or garden.

CARAVAN CANOPIES

PROTECT YOUR MOBILE HOME ALL YEAR ROUND

Cover your mobile home...

Protect your caravan or motorhome from falling leaves and debris in the Autumn as well as the harmful rays of the sun during the summer months.

Providing fast and effective shelter all year round.

Our versatile, easy to install caravan canopies are suitable for any property type including bungalows - adding extra space without the hassle and cost of an extension.

“

We are really pleased with our caravan canopy - not only does it look good it serves the purpose of keeping our motorhome dry. Heidi Lloyd

”

The benefits of owning a Caravan Canopy include:

- More convenient than having to store your caravan or motor home at a compound and there are no monthly charges to pay
- A Caravan Canopy gives you access to your mobile home all year round to keep on top of any general upkeep
- Specially designed to accommodate the extra height of caravans and mobile homes a Caravan Canopy provides protection from falling leaves and debris that could cause damage
- If we don't have a size of canopy that you require then we can manufacture one to your exact dimensions, colour and glazing tint.

CRESCENT CANOPY

STYLE AND DISTINCTION

A distinctively stylish shelter...

Clever engineering and nice design combined with an attractive appearance makes this canopy the perfect choice for any home.

The freestanding design allows this canopy to be placed anywhere around your property.

Our Crescent canopy is supplied as a complete kit with everything you need to build a modern stylish shelter.

“ I now have a dry car that also seems to be kept frost free compared to other cars parked next to it that aren't under cover. Well engineered, incredibly clever design and easy instructions. Simon Waumsley ”

Our Crescent curved roof canopy has many benefits including:

- The versatile design means it can create the ideal outdoor seating area as well as providing the perfect shelter for your car.
- Our curved roof canopies are made from rust resistant materials and can therefore withstand the harshest weather conditions.
- Expand your outdoor space without having to add an expensive extension to your property.

GLASS OVERDOOR CANOPIES

Enhance your home...

Our stylish glass over door canopies add character and style to any property.

With a range of designs available including simple and elegant to vintage and quirky.

Our over door canopies have been designed to shelter your doorway from snow, rain and hail all year round - keeping you dry while you search for your keys.

“

I loved the design of The Contour glass over door canopy as it was in-keeping with the style of our home - Great product & service. Julietta Arden-Taylor

”

Our glass over door canopies have many benefits:

- With an extensive range of designs, styles and sizes we have a canopy to suit any property.
- Elegant, sleek and classic - our over door canopies ooze sophistication and style.
- Glazed with toughened glass making these canopies extremely durable and robust.

For more information call 01536 446393.

ADD STYLE & DISTINCTION TO YOUR DOOR

GRP CANOPIES

Stylish fibre glass canopies...

Adding a touch of elegance to your home as well as providing shelter and shade.

Our GRP over door canopies will provide the high-quality finish that you want whether you have a modern or traditional property.

Easy to install and maintain, an overdoor canopy is a cost effective and simple way to transform the entrance to any home. All our GRP canopies offer protection from the elements as well as being visually appealing.

“ Our over door canopy has transformed our front door giving it a more distinctive appearance. Katie Atkinson ”

Our GRP Canopies have many benefits including:

- With an extensive range of styles, sizes and colours we have a canopy to suit your property, some of which include brackets for additional support.
- Totally maintenance free, these canopies simply require an occasional wipe with warm soapy water to keep their kerb appeal.
- Over door canopies can be a superb solution to add value to any home by improving its appearance.
- Built with strength and durability in mind these overdoor canopies can withstand the most extreme weather conditions.

For more information call 01536 446393.

CONTEMPORARY CANOPIES

A STYLISH SOLUTION FOR YOUR HOME

Elegant shelter for your home...

Our over door canopies are strong and durable - providing protection from the weather all year round.

With their chic design these canopies are guaranteed to add a touch of style to any property.

These contemporary canopies are the perfect solution for keeping your home entrance clean, dry, and free of ice and hail. The smart design means these canopies can be easily assembled and only require minimal maintenance.

“

We are really pleased with our Walbrook canopy that covers our double doors. The canopy keeps our doorway dry - and looks so pretty. Olwen Griffith

”

Our Contemporary Canopies have many benefits:

- These Do-It-Yourself canopies are made of high-end materials to ensure a modern, decorated entryway for years to come.
- The Walbrook and Beaumont canopies are simple and easy to assembly and are virtually maintenance free.
- The glazing panels are 100% UV protected providing shade and shelter from the harmful UV rays of the sun.
- Strong & durable – protection from hazardous weather throughout the year.
