Elegance glass roof patio canopy

extend your outdoor space

The **elegance canopy** is a stunning addition to your home letting you sit back and relax while being sheltered from the elements. Clear glass panels allow natural light to filter through keeping your home light and enhancing your enjoyment of your garden.

Beautifully crafted with flowing curves a **elegance canopy** provides a permanent and comfortable extension of your home that has many uses; an alfresco dining area, a place to read a book, a spacious play area for children or a place to sit and look at the stars.

attention to detail

why choose an elegance glass canopy?

- 6mm toughened glass panels allow natural light to filter through
- the timeless design of the aluminium roof bars ensure the **elegance** canopy suits any style of property
- we offer 7 standard colours making it easy for you to find a colour that matches your home.
- the elegant design incorporates superior features including a sculpted aluminium gutter.
- manufactured in the UK and part of the largest range of canopies available.

“ We are over the moon with our canopy. It really helps to make our garden an extension of the house. We are also looking forward to spending more time using this outdoor space even in all weathers. ” **N.McNab, Corby**
